

High-quality pneumatic hose for a demanding user

ToppAir™ is an excellently durable and flexible reinforced pneumatic hose. The ToppAir™ hose can often be spotted connected to various pneumatic tools at industrial or construction environments.

Owing to its nitrile rubber content, ToppAir™ retains the flexibility and is pleasant to use in cold conditions as well. ToppAir™ hoses can be ordered in special lengths and with quick connectors to meet all industrial needs.

ToppAir™ Durable pneumatic hose

- Material:** PVC/NBR-blend and polyester
- Structure:** 3-layer hose: inner hose PVC/NBR, polyester reinforcement, coating PVC
- Colour:** Surface grey, inner layer black
- Standards:** SFS 5408
